

 The SAY AGAIN
ESSENTIALS series
{ *for the* modern leader. }

Develop executive presence with expert help.
Improve your communication skills in the workplace,
and learn how leaders speak.

The second title in the *Say Again Essentials* series,
Be Heard, looks at Communication with a Leadership
lens. From the basics of communication to the art
of active listening, this self-improvement book is
friendly, accessible and compelling.

Get a crash course in **public speaking**, including
how to handle those last minute nerves, from
former news anchor and podcast host **AMRITA TRIPATHI**.
Learn tips, best practices, and how to co-create
your own leadership journey with senior executive
coaches including **SHIVRAJ PARSHAD**.
